I suppose that she was my g(g) mother.
I am not able to read some of the first names as it is very difficult (writing german) (crooked).

My grand father had an unmarried sister, Elizabeth who lived in his home & died there when I was a little girl, which I can recall, as my parents & they lived in the same house.

My father Jacob Y. was born Sept 26-1822.
Died Aug 13-1892.

My father Jacob Y. was born Sept 22
1851. Died Aug 1-1922. He was ordained
deacon in 1905.

It had been supposed that the deaths
in my grandfather's family were caused by
poison on the inside of crocks that were
not baked hard enough when made. That
time they kept their milk, apple-butter,
shredding of other things in crocks. And of course
medical skill was not what it is to-day.
